Set-Up and Consultation

We are very interested in making sure that your Video Scrapbook is produced exactly the way you wish it to turn out. Therefore, please be sure to read the guide **"Organizing *your Video Scrapbook".** If you follow these steps, you can be certain that we will have all the necessary items to complete the Video Scrapbook. In addition, we are happy to review your items when you bring them in. **Please understand that after the first 15 minutes of review, a rate of $25 per 30 minutes will apply for our expertise in assisting you.**

Consultation date _____   **Time:** _____

Basic Package

All pictures dissolve between each other. One free title at opening of video. All pictures are on screen for six seconds including a one second dissolve between each picture. There is no segmenting or timing of the pictures to the music. This music will continue and played in full until all pictures are displayed.

$1.50 per picture 1-100 pictures $1.25 each – next 200 pictures $1.00 each – rest of pictures

Music options:

1) Free generic music (no choice). You may also provide a music CD that will be played throughout the scrapbook. Songs will be played in the order on the CD (not rearranged).

2) Select from our song list or provide your own song choices for $15 each. All songs are placed back to back and played in full until all pictures are displayed for entire video, not segmented.

Other options:
** Slides can be included for an additional 50 cents above the price of each photo
** Camera pans or zooms on the pictures to add movement: $5
** Each additional opening segment title or superimposed over a picture: $5

Deluxe Package - A creatively edited package, which includes:

* Special effects for transitions
* Camera pans or zooms on the pictures to add movement (as needed)
* Segments with opening titles (over five segments add $5 for each extra title)
        Note: Title pages longer than 3 lines, add $1 per line
* Five songs (bring your own or select from our list) for each segment (over five segments add $6 per song)
* Editing Music to fit each section. Songs are faded out as segment ends.
* Custom designed cover and label.

$3.50 per picture 1-100 pictures $2.75 next 200 pictures $2.25 rest of pictures

Please note: There is an extra editing fee when the music has to be begin and end at a certain point of the song

Slides can be included for an additional 50 cents above the price of each photo.
Video can be added at additional cost, ask editor for an estimate.

Customer Acceptance:

I agree to the charges stated in this form and that this videotape is only for private use, not for resale or for income purposes. In the event of legal action due to copyright infringement, I will accept full responsibility and hold *Sound Memories/American Video Services* harmless. I further understand that the photographs are digitized and stored on computer disk for a period of five days after pick up of my videotape. Any changes made after five days will be charged to me.
